## INVITATION TO ATTEND RETAIL CONFERENCE

exhibition & conference  
where retailers go to shop

14-15 September 2011  
Melbourne Convention  
& Exhibition Centre

### Why attend?

- Learn about the latest In-store marketing ideas
- Explore the latest developments in point of purchase displays
- See new shopfit & design ideas
- Network with clients and business partners and build new business relationships
- Hear from leading experts in the Retail conference sessions
- View dynamic digital signage and much much more!

**The H-Factor - Fail without it. Succeed with it. And you can't get it online...**

*Dennis Price, Chief Ideas Architect,  
Ganador Management Solutions*

There is one universal dimension of the retail experience that must be at the heart of every retail business model. In this session, attendees will learn this fundamental principle, and importantly, be able to apply it immediately to make a difference in their business.
